SECTION A: OVERVIEW

1 Purpose

This Policy provides a summary of the College's position regarding the setting and payment of tuition, examination and ancillary fees.

2 Aim

To explain how fees apply to each course delivered across the College.

3 Introduction

The Fees Policy is subject to a minimum of one full review per annum. This review is normally conducted each February/March to coincide with the annual setting and publication of the College's course fees. It may be necessary to arrange further reviews to ensure conformity to evolving legislative requirements.

The College's policy on payment and refunds of fees will be clearly stated in all documentation with any reference to fees. Information on fees will be made easily available to students and potential students. Where a fee is not known at the time of publication it will be made clear that there will be a fee to pay with an indication wherever possible of the amount.

Details on a wide range of support that is available to fund learning can be found on the College's Students Services pages of the College website at:

<http://www.lincolncollege.ac.uk/support/money-matters>

SECTION B: STANDARD COURSE FEES

4 Scope

This section of the policy relates only to fees for standard courses, as published annually by Information Services in its Standard Course Fees List. It does not apply to the following groups:

- International students who are ineligible for public funding (Section F)
- Higher Education (HE) Courses (Section G)
- Apprenticeships (Section H)
- Courses or delivery not attracting public subsidy (Section I)
- Contractual arrangements with external agencies
- Fees devised or negotiated to address special circumstances or needs of individual client groups
- Courses of study which are fully or partially self-funded (Section I)
- Advanced Learner Loans (Section D)

5 Definitions

A course is defined as a component within a programme of study leading to the award of a qualification(s) or College certificate(s). A programme of study may be made up of several courses.

Fees are defined as all monies payable, by either a student or third party (for example an employer or other sponsor), in return for course delivery. Fees shall be paid at the start of each year of the course.

6 Standard Fee Structure

All course fees comprise of a maximum of three elements: tuition fees, sundry teaching costs, and examination and/or registration fees. Such course fees are summarised in a standard fee list published by Information Services which constitutes an auditable document.

Tuition fees comprise of the standard individualised cost of course delivery.

Sundry teaching costs include the cost of all essential materials and equipment, together with any other essential expenses such as payments for, and any course-related services provided by the College.

Examination and registration fees reflect the cost to the College of registering students with Awarding Bodies.

Fees charged to the groups subject to exclusion in Section 1 will vary significantly from the standard rates and are covered in sections E to H.

In line with the ESFA conditions of funding fees are not payable by any home students aged 16-18 in full time or part time further education regardless of

funding status. Further guidance on what charges can be levied for 16-18 year olds can be found in the ESFA Funding Guidance.

All fees must be paid in full when enrolling, except when paying by an instalment plan (see section D), employer/sponsor invoice and those funded through Student Finance England (SFE) for Advanced Learner Loans or HE. A further exception is HE students paying their fees via an SFE maintenance loan who must pay within 7 days of enrolment or will be withdrawn.

Where students continue beyond their expected end date and further teaching has taken place, the College may charge an additional appropriate fee. The student will be given a non-standard fees form, completed by the tutor and will pay the additional fee at the enrolment counter (this will not apply to those students meeting fee remission criteria).

Exam resits may be subject to charge regardless of age with the exception of Functional Skills. Employers are expected to pay for resit fees on behalf of their Apprentice.

- A student who is overcharged shall be entitled to receive a refund equivalent to the full amount of the overpayment.
- A student's eligibility for fee remission is assessed at the start of each course. If circumstances change after they have commenced their course this does not affect their entitlement or otherwise to fee remission and no refunds will be given in these circumstances.
- Examination and/or registration fees will only be refunded when the College has not incurred any expenses in relation to examination entries or registrations on behalf of the student.

Failure to pay within 30 days of invoice will result in the student being suspended from class. Notification will be sent to the Learning/Training and Skills Lead to suspend the student accordingly.

Students who fail to pay fees, no matter their mode or length of attendance and proposed method of payment, will be charged the amount that the College should have received from Student Finance England/Student Loans Company. Failure to pay fees will initially result in suspension and non-access to the College's IT system followed by withdrawal from the course.
