CAREERS INFORMATION, ADVICE AND GUIDANCE FOR STUDENTS

Not sure what to do when you finish your course?

Know what you want to do but need guidance on how to get there?

We can help you to:-

- identify your skills, aptitudes and strengths
- research opportunities
- decide which career opportunities suit you best
- plan how to get where you want to be.

Thinking about more study?

We will help you to find out about:-

- courses and qualifications you could take
- when courses start
- what opportunities they could lead to
- whether you might be able to study free or be eligible for financial help through government policy or College funds.

Thinking of getting into work?

We can help you with:-

- CV writing
- job search skills and job applications
- researching labour market information
- writing covering letters and emails
- interview skills
- finding out about volunteering.

Thinking about university?

We can help you to:-

- research courses, universities and career routes
- decide which course and university will lead you to your chosen career route
- complete your UCAS Application and Personal Statement
- find out about Higher Education Funding
- find out about university open days.

Careers resources

- The careers zone in the Library contains a wide range of resources to support you in all aspects of your career planning and progression
- You will also find a wealth of useful information links on the Guidance Team Moodle pages.
