

Level 3

Access to HE Diploma (Health) - General

If you don't have the grades you need to apply for a degree course in health studies at university, this programme is for you.

This Access to Higher Education Diploma (Health) gives you the opportunity to apply for a degree in health studies - preparing you well for academic work and the prospect of university life. It's an extremely popular course and an excellent way to maximise your job prospects. It could lead to a career working in the NHS, private practice, the community, or research.

After successfully completing the Access to Higher Education Diploma (Health), you'll be eligible to apply to a wide range of health related courses at university.

Access to HE course

Student Finance England will “write off” any outstanding Advanced Learner Loan balances you owe for an Access to HE course once you complete a higher education course. This means you don’t have to repay it. The higher education course must be eligible for Student Finance.

No upfront costs

The government has introduced 19+ Advanced Learner Loans to help learners aged 19 and over in further education pay the college or training organisation fee. Getting a loan doesn’t depend on your household income and there’s no credit check. You won’t have to pay anything back until you’re earning over £21,000 a year. Once you earn over this amount, you pay back 9% of the earnings you receive above this figure.

Eligibility

To be eligible for the loan, you must be 19 or older on the first day of your course (there’s no upper age limit), be living in the UK on the first day of your course, and have lived in the UK, the Channel Islands or the Isle of Man for 3 years immediately before this.
